**AMENDMENT**

Sir:

Responsive to the Office Action dated September 13, 2002, please amend the above-identified patent application as follows.

**IN THE CLAIMS**

Please amend claims 1, 2, 3, 4, 7, 8, 9 and 11-15 as follows. Attached as an appendix hereto is a marked-up version of the changes made herein. The attached page is captioned "Version with Markings to Show Changes Made."

1. (Twice Amended) A projection type display apparatus comprising:

a first projection optical system for obliquely projecting light from an original onto a predetermined plane, said first projection optical system forming an intermediate image of the original on or near said predetermined plane;

a second projection optical system for obliquely projecting the light from said predetermined plane onto a plane for display; and
